member of the Forest School
Association. We are a team of
qualified Level 3 Forest School
Leaders who are also
experienced teachers.**

COME AND JOIN US AT OUR STAY AND PLAY SESSIONS

WHO WE ARE?

Canopy Forest School is run by Emma Clode and Jo Streat. Both are qualified teachers and Forest School leaders with stacks of experience and loads of energy!

Emma is a local Primary and Early Years teacher with over 20 years of experience. She has worked in a wide variety of schools in England, Switzerland and Norway and has a strong belief in the benefits and importance of taking teaching and learning outside. Emma has worked for many years as an Early Years coordinator and teacher and is inspired by the Reggio Emilia approach and philosophy of learning.

Jo has over 10 years of teaching experience and she loves working in Early Years. She enjoys wild swimming and walking and is interested in the healing power of nature. Jo trained as a level 3 Forest School leader with Hampshire Wildlife Trust.

WHAT WE DO?

The learning "Experience" that we offer is based within a natural environment and is founded upon an internal process of holistic development. Each session allows its participants to have the time and space to make their own choices, take controlled risks and express themselves creatively in a play-based child-led way.

OUR STAY AND PLAY SESSIONS

Our stay and play sessions have been carefully planned and organised to capture the interests and fascinations of preschool children. Each session will have a theme, a linked story, songs around a camp fire and lots and lots of child-initiated learning.

Come and make new friends, meet up with old ones and breath in the wonders of the natural world. You will experience first hand the joy of learning through nature and the beauty of each changing season. Our experienced staff will support, scaffold and facilitate a wide range of Forest School activities that will build self-esteem, confidence, creativity, language, fine and gross motor skills and are above everything else great fun!

Our programme comprises of six or more sessions with groups of 12 toddlers. We will be offering activities such as: den building, tree climbing, making nature crafts, going on scavenger hunts, sensory play, mud kitchen and water fun . Or you and your child might just want to take some relaxing time out in a hammock reading a good book.

ALSO INCLUDED:

Every week we will also provide you with a complimentary drink and a healthy snack. We also have a fully equipped nappy changing tent and children's toilet.

Our sessions run all year during the school term in all weather (unless it is unsafe) so it is vital that you and your child are dressed in the appropriate kit (a kit list will be sent out to you on enrolment).

At the end of every half term we will produce an individual report for each child which depicts and celebrates the holistic learning, the skills, knowledge and personal development that has taken place.
