

**CONNECTION, GROWTH,
EXPLORATION,
SUSTAINABILITY.**

Canopy Forest School

**A local mobile Forest School that can
bring the joys and benefits of outdoor
learning into your school grounds.**

**WE BELIEVE IN PROVIDING A
CLASSROOM WITH NO WALLS.
WHERE THE SKY IS THE LIMIT.
NATURE IS THE TEACHER AND
IMAGINATION, PLAY AND
DISCOVERY THE CURRICULUM.
SELF-ESTEEM, WELL-BEING, DEEP
CONNECTIONS AND A SENSE OF
WHOLENESS AND JOY ARE THE
LEARNING OUTCOMES.**

**Canopy Forest School is a member of
the Forest School Association and we
are a team of qualified Level 3 Forest
School Leaders and teachers who
understand the Early Years
Foundation Stage, KS1 and KS2
National Curriculum.**

WE CAN BRING A FOREST SCHOOL TO YOU

WHO WE ARE?

Canopy Forest School is run by Emma Clode who is a local primary school teacher with over 20 years of teaching experience and is a qualified Level 3 Forest School leader. Emma has worked in a wide variety of schools in England, Switzerland and Norway and has a strong belief in the benefits and importance of taking teaching and learning outside. She has worked for many years as an outdoor learning coordinator within school and is skilled in developing links between outdoor learning and the curriculum. She also offers professional development and whole school training.

WHAT WE DO?

The learning "Experience" that we offer is based within a natural environment and is founded upon an internal process of holistic development. Each session allows its participants to have the time and space to make their own choices, take controlled risks and express themselves creatively in a play-based child-led way. Children have the opportunity to learn sustainable woodland conservation skills, natural woodland crafts and build self-esteem, confidence and resilience.

CLASS SESSIONS

Canopy Forest School can bring weekly Forest School sessions to Foundation Stage, KS1 and KS2 class groups. We do this through using and developing your school grounds, working with the teaching staff to support each pupil and making relevant links to the curriculum.

ALSO INCLUDED:

INDIVIDUAL CHILD REPORTS

We produce a report at the end of every term for each child which depicts the holistic learning that has taken place, skills and knowledge and personal development of each child.

ECOLOGICAL IMPACT REPORT

Before we start our Forest School sessions with you we will conduct a survey of your grounds and create an ecological report which is a formal system that identifies and creates an inventory of all the flora and fauna that exist in the area, the topography, substratum, site history/antiquity, site ownership, management and protection. This process evaluates the factors which will support and enhance our interactions with this space.

SUSTAINABLE SCHOOL GROUNDS PLAN

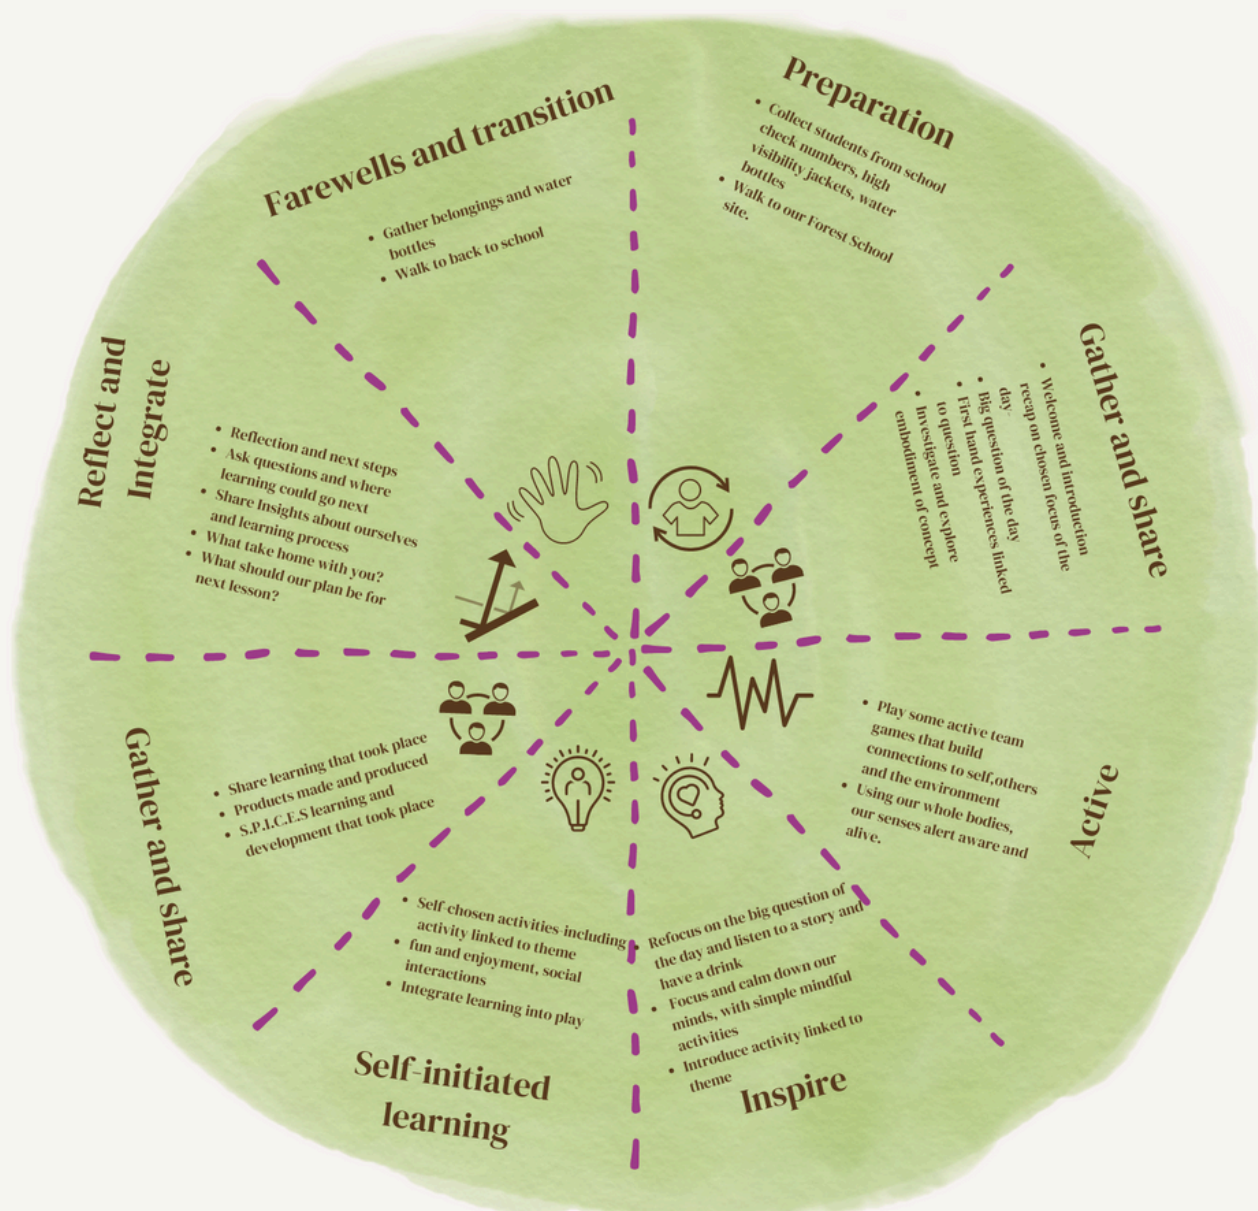

This plan outlines the proposed actions for looking after the woodland area that Canopy Forest School will occupy.

AN OUTLINE OF OUR CYCLE OF LEARNING

Canopy Forest School Cycle of learning

Our learning themes are built on our values: Connection, Growth,
Exploration, Sustainability
